Castle Finn Vineyard & Winery is a small family owned winery. We opened Aug 1st, 2010. We are in our 10th year of business. We host all types of events such as weddings and receptions, comedy shows, murder mystery dinners, canvas classes, door hanger craft days, Asian cooking classes, wine & yoga classes just to mention a few. We make all of our own wine on premise. We do have to buy some grapes and the fruit from various vendors in the Midwest. We have 15+ wines to choose from ranging from dry to fruit sweet. Our Blackberry wine and our Blackberry Sangria are our #1 sellers! We do allow under 21 in the winery and offer nonalcoholic drinks such as pop and non-alcoholic grape juice slushies.
